

A romantic wedding scene set on a tropical beach at sunset. A bride in a white lace gown and a groom in a blue blazer and tan trousers walk hand-in-hand on a pebbly shore. The background features a calm sea, distant mountains, and a sky filled with warm, golden light from the setting sun. A large, leafy tree branches over the couple from the left.

CEREMONY Venues

Welcome Bay Garden

Top tips:

- Get your florist to supply natural rose petals for the aisle
- Add on the arbour with a floral arrangement
- If you have guests staying in the penthouse, get a post ceremony group photo from above!

Welcome Bay Beach

Top Tips:

- Start time of 4pm to miss the heat of the day
- Jesus hooks with vases and flowers look great along the edge of the aisle
- Make sure to check the tides, if its high there will be very little beach!
- Advise your guests to wear flats on the invitation, walking on built up coral on the shore can be tricky.
