

MARINE CONSERVATION PROGRAM

Help us protect the Great Barrier Reef

Get hands-on marine conservation experience assisting our Marine Biologist and two non-for-profit organisations with the preservation, protection and rehabilitation of the Great Barrier Reef.

PROGRAM OUTLINE

- Go behind the scenes at the Cairns Turtle Rehabilitation Centre and provide assistance with care of the turtles.
- Provide CTRC with vital information on sea turtle population.
- Support the work of Reef Restoration Foundation with removal of drupella (coral eating snail).
- Contribute to monitoring of the reef by undertaking an Eye on the Reef survey by GBRMPA.

THE DETAILS

- When: Monday, 9am-4pm. Additional days during busy periods.
- Ages: 16+ years
- Includes: Lunch, refreshments, snorkel gear and a donation to the Cairns Turtle Rehabilitation Centre.
- Cost: \$199 per person
